All websites have the terms and conditions are listed in more than one place and clearly explain the offer details. The customer actually has to physically check a box stating they have read and agreed to the offer details in order to proceed with placing the order. The offer details are listed above the "check box" so the customer can clearly see the offer details before clicking "Yes, I agree".

Just Think Medias products are of the highest quality. All products consist of clinically proven ingredients. We are so confident in all our products that we offer a full 60 DAY MONEY BACK GUARANTEE on all physical products. All we request is that the customer simply return the unused portion within 60 days of being charged and we will offer them a full refund less the shipping charges.

Again, I do apologize if you have had a negative experience with our company. If you would like to contact me personally please email us at Support@dazzlewhite.com and ask that your email be forwarded to Mark A. I will personally respond to you from there.

Thank you,
